

Meeting the standards... How good is good enough?

Don't wait for failed assessments to learn that your students have fallen behind in their literacy development. Learn to analyze your students' literacy skills and tailor instruction to improve their performance before it's too late with these user-friendly resources from the International Reading Association.

Speaking and Listening for Preschool Through Third Grade, Revised Edition

Lauren B. Resnick, Catherine E. Snow

Book plus DVD

Use the performance standards outlined in this book and accompanying DVD to help plan instruction and define goals for your students' oral language development. Rich descriptions, color photos, and powerful video performances clearly demonstrate how standards are met by real children in real classrooms.

Instructional tips and detailed commentaries throughout the book also provide ideas you can use to encourage and nurture your young learners' oral language development.

Reading and Writing Grade by Grade, Revised Edition

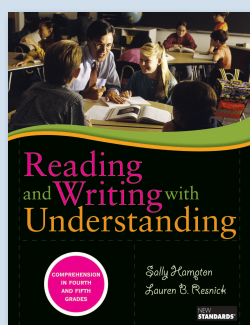

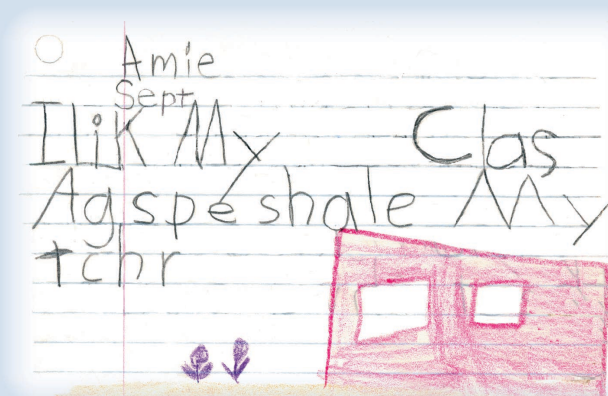

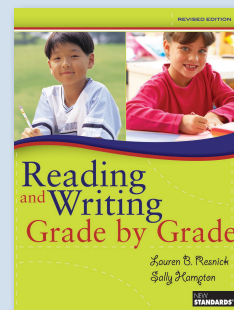

Lauren B. Resnick, Sally Hampton

Book plus DVD

This user-friendly resource that paints a grade-by-grade picture of the literacy skills students can be expected to have about the print-sound code, comprehension, reading and writing habits, written genres, and language use and conventions. Along with thoughtful commentary and suggestions for instruction, the book and companion DVD include dozens of examples of children's writing, samples of oral reading, and videos of children discussing books and following written directions. Drawn from real classrooms, these samples show just what makes for competent performance in kindergarten through third grade.
