HOLY CHILD SCHOOL AT ROSEMONT >

Holy Child is a coeducational, independent Catholic school that welcomes children of every faith, from early childhood through eighth grade. Employing the progressive educational model of Cornelia Connelly, founder of the Holy Child Schools, we provide a dynamic 21st-century curriculum for the whole child. We offer a challenging and creative program of study in a supportive environment so that children experience the “joy of achievement.” Our middle school and upper school offer not only outstanding academic opportunities but also leadership experiences not always available in a K-12 school.
